ABOUT INTEGRITY PEOPLE

Integrity People is a registered Non-Profit Organization dedicated to uniting service with community transformation. Our Motto:

"Not For Us, But For You"

Founded in 2018 with a heartfelt vision to nurture a compassionate and inclusive society, the journey is rooted in empathy, action, and collective responsibility.

The organization became officially registered in December 2020 (**Reg. No. 164/2020**) and has since evolved into a volunteer-driven organization committed to delivering essential services and sustainable support to Underprivileged communities.

Our work is primarily focused on tribal and rural regions, addressing critical areas such as tribal education, child development, women's empowerment, health & hygiene, livelihood support, and community development initiatives.

We ensure transparency and accountability through our statutory compliances, including NGO registration, CSR-1 approval, 12A and 80G certifications, enabling us to partner effectively with corporates, institutions, and individuals.

The work aligns with the United Nations **Sustainable Development Goals (SDGs)**, ensuring that the impact is both measurable and meaningful.

THE HEART OF INTEGRITY PEOPLE

The **Black figure** represents those who are struggling, waiting silently, with hope in their hearts.

The **Red Hand** symbolizes us reaching out with compassion and being ready to lift, support, and care.

At Integrity People, we look beyond **R.C.B** - Religion, Caste, and Background.

We believe in the simple truth that every human being deserves **D.L.O** - Dignity, Love, and Opportunity.

The logo stands for,

K.L.U.H - Kindness, Loyalty, Unity, and Humanity.

It reminds us that even the smallest act of kindness can create a ripple of change in someone's life.

The message is powerful in its simplicity:

"Not for us, but for you"

Because serving others is the greatest expression of being human.
